

The Huntington YMCA-Charleston Aquatic Team (HY-CAT) @ Charleston, West Virginia has an immediate opening for the position of Head Age Group Coach and Assistant Director of the program. HY-CAT @ Charleston, formerly known as UCAT/YHSC is a highly successful club with over 220 swimmers and is on the rise both regionally and nationally. HY-CAT has won the last 28 Short Course State Championships and the last 12 Long Course State Championships. At the most recent YMCA Long Course Nationals we placed 8th combined with only 1 graduating senior.

The successful candidate will assist the Head Coach with program administration, swimmer recruitment, parent/swimmer education and communication, as well as organizing and scheduling meets. The candidate will also be directly responsible for age group training, practices, development and swimmer growth and retention. We are looking for a professional coach who believes in developing age group swimmers into senior swimmers and beyond. The Head Age Group coach will be directly responsible in coaching and organizing the practices of the top 2 age group teams. There have been multiple Top 16/NRT and Y-National level swimmers in these groups. The candidate will also be responsible in assisting the Head Coach with the senior team.

HY-CAT @ Charleston would like the candidate to be ASCA Certified, Hy-Tek knowledgeable, and have at least 2 years experience coaching age group swimmers, these requirements are preferred but not required.

Salary for this position will be very competitive between \$22,000 - \$27,000 dependent on experience & qualifications, with an extensive benefit package. HY-CAT will also pay for your meet expenses, USS & ASCA dues & certifications, and coaches clinics.

Start date is as soon as possible. Send resume and references to:

Greg Olson, Head Coach/Director, HY-CAT @ CHAS., 2300 MacCorkle Ave SE, Charleston, West Virginia, 25304 or electronically to: golson@uchaswv.edu.

For more information call Greg Olson at 304-357-4825.
